

CITY CHEVERLET THUNDER SERIES RULES 2022

General Rules:

1. The Rules and Regulations set do not express or imply warranty of safety from publication of or compliance with Rules and Regulations. These rules are intended as a guideline for the conduct of Thunder Series sanctioned events, and are in no way a guarantee against injury or death to participants, spectators, or officials.
2. Thunder Series officials have full authority over said sanctioned events, and in the event of any dispute, the head official's decision will be final.
3. All competitors and cars are subject to inspection by Thunder Series Technical Inspectors or their representatives at any time during any event.
4. Thunder Series, and its officials and representatives reserve the right to confiscate any suspicious or deemed illegal parts or components.
5. Thunder Series reserves the right to alter or amend these Rules and/or Regulations in the interest of fair competition, efficient completion of an event, or for safety. All official's decisions are final.
6. There is NO appeal process in the determination of or application of fines and/or penalties assessed by the series. All Official's decisions are final, and drivers will not be allowed to compete in any sanctioned event until all fines are paid, penalties assessed have been cleared, and/or suspensions have been served.

Safety Rules:

1. Safety is the responsibility of the RACER!!
2. Full Fire Suit (top and bottom or one-piece) Gloves and Shoes is required (SFI rating optional, but highly recommended).
3. Snell rated SA2010 or SA2015 full-face helmet required.
4. Must have head and neck restraint system or Full containment seat.
5. All cars must have a kill switch within easy reach of the driver, and clearly marked "Off" and "On".
6. All cars must have a quality fuel cell with roll over valve (check valve) in fuel cell vent.
7. Must have SFI-Approved five-point safety belts, mounted securely to the roll cage. (Recommend belts be no more than two years old.)
8. Any pre-race technical/safety inspection and car or equipment is deemed unsafe by officials will result in not being allowed to compete. Official's decisions are final!
9. Receiver one-way radios are REQUIRED at every sanctioned event. Failure to have a Receiver (or equivalent one-way device) could result in disqualification. Malfunction of such device (i.e., dead battery, ear phone failure, etc.) will not constitute any penalty.

10. NO two-way radios, cell phones, or other communication devices will be allowed. Receiver is the ONLY communication device permitted. Drivers caught with any other communication device will be disqualified for that event (heat or feature).

11. No signal devices (light sticks,painted/taped sticks, flashlights, cell phones, etc.)

12. No mirrors.

Membership and Registration:

1. All drivers participating at Thunder Series sanctioned tracks and events must purchase an Annual Membership at a cost of \$75 per year.
